

REQUEST FOR EXTERMINATOR SERVICE

I \_\_\_\_\_ do hereby request that Barcroft Management Company allows Savage Pest Warfare to exterminate my apartment located at:

Address: \_\_\_\_\_.

In consideration for providing this service, my heirs, executors, agents and assigns hold Barcroft Management Company harmless in case of any injury, damage or illness arising out of this service.

**PREPERATION FOR SERVICE:**

Savage Pest Warfare's Preparation guidelines are a major key to the pest eliminator visit, and because of the fact, Savage Pest procedures are to be followed and completed prior to the technician's arrival.

**CRACK AND CREVICE TREATMENT**

- All articles must be removed from kitchen cabinets, drawers, closets and from underneath the sink. They must be placed in another room then covered with linen, plastic bag, or newspapers.
- Countertops must be cleared of all items. Also, please remove all items from bath vanity, medicine chest, and underneath bathroom sink.
- If any items remain in any of the aforementioned areas, these areas will not be treated. After treatment, do not wash inside cabinet or drawers, as this will greatly reduce the effectiveness of the treatment. Please wait 2-4 hours (until area is completely dry) after treatment before replacing the items removed.
- If you wish to clean, please do so prior to treatment.
- All pets should be removed from treatment areas. Pets can be placed in a bedroom, preferably the bedroom farthest from the bathroom. **A NOTE** should be placed on the bedroom door stating that you have a pet inside.
- If fish tanks are present please cover them and turn off the pump/filter.

I do hereby declare that the instructions and terms of this agreement have been completely read, fully understood and voluntarily accepted.
